

# ANGEL WITH FOOT WASH TAP

ASTRALPOOL 

Its sober design and the quality of its finish make this model a suitable choice as an accessory in any type of pool, particularly the version with the foot wash tap.  
Ref. 52718

# ANGEL

ASTRALPOOL 

Its sober design and quality manufacture make this model a compelling option as a complement to all pool types.  
Ref. 52717

NEW  
**Shower Range**  
2011

AstralPool is a brand of:

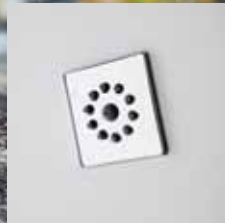

ASTRALPOOL 

# IGUAZU

**ASTRALPOOL**   
SIGNATURE

Design, quality and functionality come together in this model, the last word in exclusiveness, going further than any else. Its quality features include a nebuliser effect so you can be covered in a refreshing mist spray of water as an option independent of the powerful shower flow. Ref. 53874

# NIAGARA SOLAR

**ASTRALPOOL** 

Niagara Solar is a clear example of how to strike a balance between advanced design and sustainability. Niagara Solar uses solar energy to heat water kept in a water storage tank that is seamlessly integrated in the shower's main structure.

Ref. 53873

# NIAGARA

**ASTRALPOOL** 

This model is a good option for people who seek a balance of requirements between advanced design, pure lines and high quality. The shower can also be supplied to operate with a solar energy system.
