

# iFlo PUMP

High quality, unbeatable value

## ● Exceptional Value

At less than half the price of similar pool pumps, iFlo represents the best value for money pump available.

## ● Proven Reliability

With a failure rate of virtually zero, the iFlo's unparalleled reliability simply cannot be matched by alternative swimming pool pumps.

## ● Designed to Last a Lifetime

iFlo's heavy duty, air cooled motor and robust pump casing has been engineered to last.

## ● Optimum Performance

iFlo's oversized pump strainer basket and self-priming high-load impellor have been designed specifically for swimming pool applications.
